**PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON
FAILURE TO RECEIVE OFFICE ACTION UNDER MPEP §711.03(c) AND 37
C.F.R. 1.181(a)**

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

The Notice of Abandonment mailed on April 19, 2006 (Part of Paper No. 20060411) has been carefully considered. As the attorney of record for the inventor and assignee, I hereby petition to withdraw the holding of abandonment based on failure to receive an office action under MPEP §711.03(c) and 37 C.F.R. 1.181(a) and respectfully request consideration of the following remarks.

The Notice of Abandonment indicates that no reply has been received to the Office Action allegedly mailed to Thomas, Kayden, Horstemeyer & Risley on December 23, 2004. The undersigned hereby states that the Office Action (which is for patent serial number 09/821,833, attorney docket number 050321-1830) allegedly mailed to Thomas, Kayden, Horstemeyer & Risley on December 23, 2004 was not received at the correspondence address of record. Further, the undersigned personally attests to performing a search and examination of the file jacket and docketing records for the subject application, and as a result of that search and examination, concludes that said office action was not received at the correspondence address of record.

On June 7, 2005, Applicant's representative submitted a status inquiry with post-card to the USPTO. The USPTO acknowledged the status inquiry by date-stamping the post card on June 9, 2005. No other response was received by the USPTO addressing this status inquiry. Copies of the status inquiry and USPTO-date stamped acknowledgment is enclosed as Exhibit A. On March 14, 2006, Applicant's representative submitted a second status inquiry with post-card to the USPTO. Applicant's representative received an auto-reply facsimile transmission dated March 14, 2006 as an acknowledgment of the status inquiry. No other response was received by the USPTO addressing this status inquiry. Copies of the status inquiry and auto-reply facsimile transmission is enclosed as Exhibit B. The last Official Action received by the USPTO for patent application serial number 09/821,833, attorney docket number 050321-1830, was the Notice of Abandonment received April 21, 2006 by Thomas, Kayden, Horstemeyer & Risley, mailed April 19, 2006, by the USPTO. Prior to that, the undersigned corresponded with Examiner Chat C. Do on April 11, 2006 in an effort to determine the status of the application. Examiner Chat C. Do stated that he observed no record of the June 7, 2005 status inquiry.

The undersigned has also attached a copy of a docket record (labeled Exhibit C) for the subject application. If an Office Action were received from the USPTO for patent application serial number 09/821,833, attorney docket number 050321-1830, this Office Action would have been docketed in the docket record reflecting the mailed date of 12/23/2003. This Office Action does not appear in the attached docket record shown in Exhibit C.

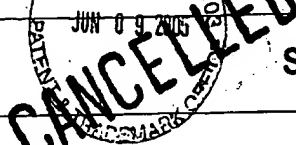

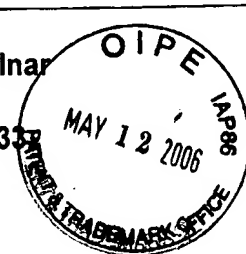

For the foregoing reasons, the undersigned hereby petitions that the holding of abandonment of this application be withdrawn pursuant to MPEP 711.03(c) and 37 C.F.R. 1.181(a). As the error was not the fault of the Applicant or the Applicant's Attorney, no fee is believed to be due in connection with this Petition. If, however, any fee is deemed to be required, you are hereby authorized to charge any such fee to deposit account 20-0778.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'David Rodack', written over a horizontal line.
